Bloomington Dale Golf Club would like to take this opportunity to “Thank you” for your interest in our facility for hosting your golf outing. No matter if your event consists of 24 or 150 participants, we will work with you to make your outing a great success!

Below, you will see choices of a full shotgun, modified shotgun or straight tee time start. The various methods that we offer to start golfers out on the golf course are dependent on group size and availability. Feel free to ask which would work best for your event.

**Full Shotgun Starts (Utilizes the entire golf course)**

- A minimum guarantee of 120 golfers is required for Monday – Friday events.
- Saturday and Sunday shotguns require a minimum guarantee of 144 golfers and a start time of 8 am. Please note, subject to venue availability after golf dining location may be limited to our tent.
- For Outings booked in April, May, and October; flexibility with start times will be considered for the golfing portion of these guidelines.
- Guarantee number of golfers and dinner guests must be provided 1 week in advance prior to event.

**Modified Shotgun Starts (Utilizes a portion of the golf course)**

*Modified shotguns are not available beginning June through September on Saturday and Sunday.*

- A minimum guarantee of 60 golfers is required.
- Starting time will begin no later than 9 am. Exceptions must be cleared through the GM.
- Starting position on the golf course will be determined by the golf professional.
- For outings booked in April, May and October; flexibility will be considered for the golfing portion of these guidelines.
- Guarantee number of golfers and dinner guests must be provided 1 week in advance prior to event.

**Straight Tee Time Starts (All play begins off #1 tee box at designated tee time intervals)**

- Guarantee number of golfers and dinner guests must be provided 1 week in advance prior to event.
- You will be allowed a 5% shrinkage from your guaranteed number of golfers leading up to and including the day of play.

Once your guaranteed number of golfers and dinner guests is provided, you will be held responsible with payment based on these numbers (exception – straight tee time start). For golf ONLY, in the instance the quantity of golfers’ falls below your guaranteed number, you will be given certificates for rounds of golf equaling the number of golfers that do not show. You will still be responsible for the full guarantee number of dinner guests.
