

**Bloomington Golf Club**  
**Permanent Tee Time 2021 Guidelines**

1. Sunday Perm times begin April 25<sup>th</sup> and end September 5<sup>th</sup>. There will be 20 weeks of play this season.
2. Greens and cart fees for the 2021 season will be as follows: \$52.00 for Resident Perms and \$59.00 for Non-Resident Perms. All golfers should be prepared to show proof of residency to qualify for the resident rate.
3. **All permanent tee time participants that play 18 holes of golf on the weekday are eligible to receive a \$5.00 reduction on your green fee. To qualify for this reduced fee, you MUST be registered on the perm registration form that is submitted at the beginning of each season AND you must be a participant in our Loyalty Program.**
4. **“NO-SHOW” or “SHORT PLAYERS” Procedure**

**2021 payment procedure will be implemented as follows:**

- Each group will be allowed 6 individual misses throughout the season.
  - Once a group exceeds their allotted 6 misses, the entire foursome MUST be paid for as we move forward into the season. Even if you show with 3 or less players, the missed player(s) must be paid for in your group. Your group will be informed if and when you have exceeded this number of misses.
  - With this arrangement, I hope that all players that are committed to play throughout the season will not **“short-change”** the other players in your group.
  - In the case of inclement weather, appropriate credits/refunds will be determined and distributed if and when this situation falls upon us.
5. If your group knows that there will be a missing player or two for the upcoming week, inform the pro shop and we may have a waiting list of players wishing to fill in your foursome. **This is no guarantee**, but we will attempt to have a list started. We suggest that you have your own substitute players.
  6. **WE REQUIRE ALL PERMS TO REGISTER IN OUR LOYALTY PROGRAM** (please review the loyalty program guidelines) If you have not registered in the past or need to update your information, please see a pro shop associate. **PLEASE PRINT CLEARLY!**

7. **Similar to past years, we are allowing individual payment, once your entire foursome is on the premises. We are offering this option in order for each player to correctly accumulate Loyalty Points under their name. If your group prefers to have one person pay for the entire foursome, we suggest that a different player pays each week during every 4 weeks stretch. This will assure that each player is earning the correct amount of Loyalty Points. When making payment, please make certain you provide your name to the pro shop associate.**
8. When redeeming Loyalty Points, they cannot be applied to perm fees and there are certain times when they can not be used. Additionally, **they can only be used by and for the individual whose has accumulated the points.** You cannot redeem points for multiple green fees at one time!
9. We offer on-line tee time booking. The web site is [www.bloomingdalegc.com](http://www.bloomingdalegc.com)
10. When renewal time comes at the end of the 2021 season, tee times will only be held until November 30<sup>th</sup>. If you have not informed us of your next year's intentions OR paid any outstanding fees, the time **will** be released.
11. Perm times are not guaranteed from year to year for your group. In the event your group misses three times (or 12 individual times) throughout the season, you risk losing your perm time.
12. The name that appears in the first spot of the perm reservation form will be the contact person. All information, letters, phone calls etc., will be directed to this person. It is up to this person to contact the rest of the foursome. In the event we need to reach you the morning of your tee time, this will be the person we contact.
13. It is important that you check in a minimum of 20 minutes prior to your tee time. This will help us manage our tee sheet with moving groups "up" if an earlier group is a "No Show". Note, groups checking in late on a regular basis risk losing their perm time for the next season.
14. **Our tee time intervals will be 10 minutes apart. Pace of play will be monitored, but you will not be bothered unless we see a need to so. It is expected that an 18-hole round of golf take no longer than 4 hours 15 minutes. Please read the "PLAY READY GOLF" message located on each cart. We urge you to surpass these requirements since you know the course! Remember, our player assistants (rangers) are out on the course to keep things moving and to close-up gaps. If each group helps out by monitoring themselves and work on keeping up with the group ahead of them, pace should not be an issue.**

15. If weather or course conditions are questionable, i.e. raining heavily, storms, unplayable conditions etc.; groups will be held up at the first tee. Providing we get started within one hour of your scheduled time, you will be expected to play that day. However, when one hour has passed from your scheduled starting time, you will have the option of passing on that day's play without being held accountable. If by chance you begin play on the course and the weather calls you in for more than 1 hour, you will have the option of receiving a **rain credit**. If you played 5 holes or less, we will issue you a rain check that can be used the following week. If you played anywhere from 6 holes up to and including 14 holes, you will receive a 50% rain credit **that can be used at any time**. If you played 15 or more holes, no rain check will be issued. **Please note: Determination of when a day becomes optional is based upon developing weather and/or course conditions and therefore, may be imposed after the start of play.**

If you have any other questions or concerns please contact us, 630-529-6232.
