

Bloomingtondale Golf Club “Community Discount Program” Registration Information

Welcome to our community discount program! As a participant, you will be the recipient of reduced green fees, and discounts on merchandise.

The idea behind this program is to welcome avid golfers from Bloomingtondale and neighboring communities to our golf course by offering reduced rates. The savings per round of golf would be:

- \$8 on Regular 18 Hole Round of golf before 3 pm
- \$5 on Regular 18 Hole Round of golf after 3 pm
- \$5 on Senior 18 Hole Round of golf
- \$5 on 18 Hole Round during Spring and Fall play
- \$3 on All 9 Hole Rounds and Junior 9- or 18-Hole Rounds of golf

There is a nominal fee to participate in this program. The annual cost for Bloomingtondale Residents is \$15.00. The annual cost for residents of Roselle, Medinah, Itasca and Addison are \$20.00. After playing two (2) 18-hole rounds of golf, your enrollment fee is recouped, and you begin to reap the benefits of reduced green fees.

There are a few exceptions regarding the use of this program. It cannot be used during the following periods due to already special or reduced pricing. They are: 18 Hole Early-bird, 5:30 pm Special, League and Permanent Tee Time play, and Special Rate offerings.
